

ADDENDUM TO TENDER NO. NACC/RFP/010/2018-2019; CONSULTANCY TO UNDERTAKE COST EVALUATION ASSESSEMENT FOR HIV AND NCD INTERGRATION;

What sort of data do you have related to costs, and at how many different facilities?

Consultant will undertake a meta-analysis of national-level NCD estimates, disaggregated by HIV status and age (for current data and in the coming 20 years). The data will therefore enable prediction of the NCD-HIV/AIDS costs typologies and address the ToR objectives

Do you have any information on the workers etc. ?

The meta-analysis will establish the cost variables
